

My Holiday Wish For You...

Day 10

*That you still believe in Santa Claus,
and Angels, and Christmas elves,
and miracles, and love and laughter,
and peace and joy on earth,
because if enough of us believe,
they just might happen.*

*Then, little by little,
Christmas just may last longer
and longer, and the world will
be that much more beautiful,
because YOU are in it.*

***Merry
Christmas***
